Instructions for Skills Practice – Activity Diagram

Assignment
Using your own solution to the Skills Practice - Use Case Specification assignment as a starting point, create an activity diagram that documents the *Basic Flow* scenario of the *Pick Order* use case. Remember that the action shown in the written description of the Basic Flow should match the action shown on the activity diagram exactly.

Tools
Use MS Visio 2016. Please contact me for approval before using a different tool.

Length
One use case diagram should be submitted. It may occupy several pages if necessary.

Format
Please submit a **single PDF document**.

File Naming Conventions
The name of the file that you submit should include both your name and the name of the assignment. It should follow the form:

    trainor_kevin_skills_practice_activity_diagram.pdf

Due By
Please submit this assignment by the date and time shown in the Weekly Schedule.
