Title: Record attendance at a class meeting	Priority: 1	Estimate:
As a student I want to record my attendance at a class meeting so that I can receive proper credit for having attended the class meeting.		
Acceptance criteria Given that I am logged into the Student Attendance System as a student: When I signal that I wish to record attendance, Then I see a list of the class meetings for which I can record attendance. When I select the class meeting for which I wish to record attendance Then I receive a prompt to enter the class meeting password. When I enter the class meeting password Then I receive confirmation that I have received credit in the system for attending the class meeting.
